I've been extremely compliant and fair with DA Christopher Guy, I was fine with not continuing to move forward by filing additional motions & complaints until we had an answer back from the courts concerning my last motion but it has been two months now & I still haven't gotten a response or update to that issue so can I please be informed on what's taking place with my case and the issue of response on which we were waiting for

Order

IT IS ORDERED that ECF No. 28 is GRANTED. Plaintiff is advised that the Court is aware of his motion to amend his complaint and will decide it in the ordinary course. Motions often take several months to decide, given the hundreds of cases pending before the Court.

Thank you for your time
Sincerely

IT IS SO ORDERED
